I, MICHAEL NUNES, declare as follows:

1. I respectfully submit this declaration in support of final approval of the settlement of the above-captioned action for \$18,500,000 (the "Settlement"). I also submit this declaration in support of my request for reimbursement of \$2,500 for time spent in carrying out my responsibilities to the Class. I have personal knowledge of the statements herein, and if called as a witness, could competently testify thereto.

2. After consultation with legal counsel, I made the decision to become involved in this action as a named Plaintiff and understood my responsibility to serve the best interests of the Class.

3. In order to fulfill my responsibilities as a named Plaintiff, I was in regular communication with the attorneys at Scott+Scott, Attorneys at Law, LLP ("Scott+Scott"), co-lead counsel for plaintiffs in this action. Through my active and continuous involvement, I closely supervised, carefully monitored, and was actively involved in the material aspects of the prosecution of this action. I received periodic status reports on case developments, and participated in regular discussion with attorneys from Scott+Scott concerning the prosecution of the action, the strengths and risks of the claims, and potential settlement. In particular, throughout the course of the Action, I: (a) communicated regularly with Scott+Scott attorneys regarding the posture and progress of the case; (b) reviewed significant pleadings and briefs filed in the action; (c) reviewed the Court's orders and discussed them with counsel; (d) reviewed Defendants' discovery requests and collected responsive documents that were produced to Defendants; (e) consulted with counsel regarding the mediation and settlement negotiations; and (f) evaluated and approved the proposed Settlement.

4. In addition to the above, on March 1, 2016, I was deposed in this case. In the weeks prior to my deposition, I spend several hours preparing to give testimony by reviewing documents and having conversations with counsel. On February 29, 2016, I traveled to San Francisco, California from my home in Florida. Upon arrival, I met with my counsel for several hours in anticipation of the deposition. In addition to being deposed on March 1, 2016, I also

1 personally attended the deposition of Class Representative Sean Debotte, which was held on the  
2 same day. Following my deposition, I carefully reviewed the transcript and discussed it with  
3 counsel.

4 5. I authorized Plaintiffs' counsel to settle this action. In making the determination  
5 that the settlement represented a fair, reasonable, and adequate result for the Class, I weighed the  
6 substantial benefits to the Class against the significant risks and uncertainties of continued  
7 litigation. After doing so, I believe that the Settlement represents a highly favorable recovery,  
8 and believe that final approval of the Settlement is in the best interest of the Class.

9 6. I understand the Court may make an award of reasonable costs and expenses  
10 directly relating to the representation of the Class to any representative serving on behalf of the  
11 Class. I understand that the Court has discretion to grant in full or in part, or to deny my request  
12 for reimbursement. I was promised and expected no reimbursement for serving as a  
13 representative plaintiff in this action, but due to my participating in a multi-million dollar  
14 recovery for the Class, I believe the modest reimbursement is warranted.

15 7. I am requesting the amount of \$2,500 in connection with my representation of the  
16 Class. This request is based on the conservative estimate that I devoted approximately 40-50  
17 hours to the litigation activities described above. The hours spent on this case was time that I  
18 would have otherwise devoted to professional or personal activities.

19 8. I understand that after the settlement funds are distributed to class members, that if  
20 there is any remaining balance in the Settlement Fund which cannot be feasibly distributed to  
21 class members, that such balance will be donated to Bay Area Legal Aid. I have no connection to  
22 the Bay Area Legal Aid, be it personal, professional, or otherwise.

23 I declare under penalty of perjury under the laws of the State of California that the  
24 foregoing is true and correct. Executed this 5<sup>th</sup> day of April, 2017 at 2:37 PM
